# PRACTICAL WORKSHOP OF SURGICAL HYSTEROSCOPY

**Thursday, 30 th April  
Hospital del Mar**

The hysteroscopic workshops organized by **Hospital del Mar** is a practical training course for specialists in obstetrics and gynecology.

Previous experience in diagnostic hysteroscopy is needed for only practice participants.

The practice participants will be able to make real practice in Laser hysteroscopy surgeries, guided by an international expert .

We have chosen International Experts in Diode laser and 12 different patients, with different pathologies.

Each participant will have the opportunity to train in 2 procedures.

The attendants without training will take part of surgeries and discussions from the conference room in a very interactive session.

During the lunch break, all the participants will be able to discuss the different technics with the experts.

## Program:

### Conference room:

09:00 – 09:15	Documentation
09:15 – 09:30	Opening courses Gemma Mancebo
09:30 – 09:45	Introduction to Office Hysteroscopy Maite López - Yarto
09:00 - 10:00	Coffee

### Conference room - Surgery Room:

10:00 - 13:00	Surgery
13:00 - 14:00	Lunch
14:00 - 17:00	Surgery
17:00 - 18:00	Coffee

*\*Satisfactory survey, certificate delivery and workshop closure*
